HAND BOOK AND DISTRICT POLICIES ARE AVAILABLE ON THE VPHS WEBSITE AT www.vantage.adams12.org UNDER THE STUDENT/PARENT RESOURCES TAB. PLEASE REVIEW AND SIGN THIS FORM TO RETURN AT CHECK-IN. A copy can be requested at the school.

**HANDBOOK EXPECTATIONS**

This handbook is designed to familiarize students and families with an overview of Vantage Point High School and our values, rules, regulations, and policies. Please take the time to read it carefully.

It should be understood that the information in this handbook is the reference guide for the successful operation of our program and that students are directed to comply with the outlined expectations in this manual.

We realize that this handbook is not inclusive of every school situation, but we hope that it clarifies most policies of the school and the school district.

If you do not understand or if you need further information about any of the contents, please contact us at your earliest convenience.

Our goal is to provide a positive and meaningful educational experience for all of the students of Vantage Point High School. The contract requires parent and student signature.

I, ________________________________, will comply with all rules and regulations, policies and procedures as they pertain to Vantage Point High School and in alignment with the VPHS school of choice contract as well as Adams 12 Five Star Schools superintendent policies.

Furthermore, I understand that failure to comply with said policies may result in losing my student status at Vantage Point, at any point during the year and for a length of time to be determined by the Principal.

I have reviewed the Student/Parent Handbook for 2019/2020 containing updated District Policies and information.

VANTAGE POINT HIGH SCHOOL CONTRACT AGREEMENT

Vantage Point is an alternative high school program serving an important group of students. Our school vision and mission is to serve students in a setting that stretches the boundaries of support as well as limits. Because of the critical need to be a unified program, the school expectations and climate are believed to establish specific benefits to our overall goal of increased student achievement and success. As a result, MUTUAL RESPECT, UNITY, POSITIVE PEER PRESSURE, IMAGE IN THE COMMUNITY, SCHOOL DISCIPLINE, SUPPORT SYSTEMS, SAFETY, ATTENDANCE, and a FOCUS ON LEARNING are all of increased importance.

VANTAGE POINT IS A CLOSED CAMPUS
STUDENTS WILL BE REQUIRED TO CHECK OUT IN THE MAIN OFFICE IF LEAVING DURING SCHOOL HOURS. ANY STUDENT LEAVING CAMPUS DURING SCHOOL HOURS WITHOUT PERMISSION WILL BE REQUIRED TO RETURN WITH A PARENT.

Since Vantage Point High School is a school program of choice, it is understood that multiple agreements/acceptance of policies are recognized at the onset in order to maximize student success.

GRADUATION REQUIREMENTS

All students who are enrolled in Adams 12 Five Star Schools are required to earn 23 credits to graduate.

Other policies applying to our program include:
A grading system A, B, C or F. No grades of D are assigned.
(69.5% or above = Passing, 69.4% or below = Failing)
All of the above requirements may be modified for students on Individual Education Plans (IEP’s) based upon their special needs.

ATTENDANCE

Regular attendance at Vantage Point is critical to academic success. Students who are not in class will not succeed. The District 12 attendance policy speaks to excessive unexcused and excused absences.

The staff at Vantage Point has established an attendance policy as follows:
- Student gets 3 Absences / Block classes – 6 Absences. Parents are encouraged to verify student absences.
- Any additional Absences will be considered excessive and the student will lose that class resulting in an F for the quarter. (Students may appeal to Vantage Point High School administration if they feel additional absences were due to extenuating circumstances).
- 3 tardies = 1 Unexcused Absence. A tardy will be marked up to the first 5 minutes of class. More than 5 minutes late in any class will be marked as an unexcused absence.
- Students 18 years and older can request a waiver to excuse themselves, but must meet with the Principal and parents to understand policy and sign a waiver. If the waiver is not signed, the student may NOT excuse themselves or sign out of school without permission of a parent or guardian.

*PLEASE NOTE: Excused (EXC) absences are those verified by a Dr.’s note, a funeral notice, court appearances, suspensions and principal verified extenuating circumstances. Parents are encouraged to verify absences; however, excused (EXC) and unexcused (UNX) absences all count towards the 3 absence limit.
LOST CLASSES

Any student who exceeds the terms of the attendance policy will lose the class or classes and receive a letter grade of an F and be awarded no credit. Once a class is “lost”, the student will be required to attend the Refocus Program. If the student passes the class in the Refocus Program, then the F for the lost class will be changed to NG (no grade). Credit will be awarded in the class passed in the Refocus Program.

We encourage parents to discuss attendance expectations with your child and to use Infinite Campus or call the school to monitor attendance progress. Teachers will contact parents with attendance concerns.

VANTAGE POINT WARRIOR DAYS

Warrior days will be offered once per quarter on scheduled Saturdays. Warrior days allow VPHS students to earn one day back of their 3 allowable absences. Warrior days are NOT offered to students after they have exceeded all allowable absences.

DISCOVERY PROGRAM

The Discovery Program is a concrete, skills-based curriculum that has the power to create positive change in students. Through Discovery, students learn and master the positive social skills necessary to be successful in school and in life. The Discovery Program was designed in 1990 by Eric Larsen, an alternative high school teacher in Poudre School District in Fort Collins, Colorado. The program teaches positive social skills to students struggling with academic, attendance, and attitude problems. The curriculum includes social skills, management strategies, culture development, and experiential activities. All students who enroll in Vantage Point High School are required to participate and pass the Discovery Program as part of their entry into the Vantage Point High School culture. The objectives of the program are as follows:

- To develop a strong sense of community and a support system for all students.
- To teach, practice, and give feedback on specific positive social skills.
- To reinforce the culture of the classroom/school and ensure that all students realize what is expected of them and what they can expect from the staff.
- To self-explore, self-evaluate and gain insight into one’s choices and outcomes.

REFOCUS POLICY

- A successful quarter is one in which a student fails a maximum of two (2) classes. Math, U.S. History and Government are block classes that meet every day but will count as one class. Parents will be notified by the office staff when students are on Refocus.
- If there are questions regarding your status as a student at Vantage Point, or if you would like assistance in exploring other options in education, you may contact the Diagnostic Center Coordinator or Principal.
- If you choose not to comply with the Refocus plan and to return to a traditional Adams 12 district high school, then Vantage Point High School will no longer be an option.
STUDENT SUCCESS

Students are required to pass all course components of the Vantage Point High School Discovery Program. When a student completes the Discovery Program, he/she will graduate from Discovery and be promoted into the Vantage Point High School schedule the following quarter.

There are 3 ways students may fail the Discovery Program: 1) When students go over in attendance. 2) When students do not pass all of their classes. 3) When students are not demonstrating their skills. For example, a student who continues to be disruptive in class (or in multiple classes) would fail Discovery for not demonstrating the Attending Skill known as Being in the Moment or for not participating (one of the 6 P's) in his/her education. Failure to pass any component of Discovery will require the student to re-take Discovery the following quarter.

Students will have two opportunities to pass Discovery. If they do not successfully complete Discovery after the second time, they will need to seek another educational option other than VPHS.

CREDIT

Students will earn 2.0 credits for completing the Discovery Program. An additional .25 credit may be granted if the parent(s)/guardian(s) participate in the parent component of the Discovery Program and the student completes the necessary academic requirements associated with the parent participation.

ATTENDANCE

A student may have a total of four (4) absences for the quarter. We will not distinguish between excused or unexcused absences. The fifth (5th) absence will result in not completing the Discovery Program and having to re-take Discovery the following quarter. The excuse waiver that allows 18 year olds to call in their own absences does NOT apply to the Discovery Program. When a student completes the Discovery Program, he/she will graduate from Discovery and be promoted into the Vantage Point High School schedule the following quarter. All aspects of the Vantage Point High School contract agreement will apply.

DISCOVERY WARRIOR DAYS

Warrior days will be offered once per quarter on scheduled Saturdays. Warrior days allow Discovery students to earn one day back of their 4 allowable absences. Warrior days are NOT offered to students after they have exceeded all allowable absences.

THIS POLICY AGREEMENT IS TO BE REVIEWED AND SIGNED BY EACH APPLYING STUDENT AND PARENT PRIOR TO INTERVIEW FOR ACCEPTANCE TO VANTAGE POINT HIGH SCHOOL. SIGNING THIS FORM INDICATES KNOWLEDGE AND ACCEPTANCE OF THE POLICIES AND RESULTING CONSEQUENCES FOR NON-COMPLIANCE AS OUTLINED HERE AND DESCRIBED IN THE STUDENT/ PARENT HANDBOOK.

BUILDING RELATIONSHIPS BY RESPECTING YOURSELF

THREE REDIRECTS

A redirect is an opportunity for you, the student, to own your behavior as teachers appropriately confront you about your behavior in a respectful way. Our values are Mutual Respect, Appropriately Confront, Support Each Other, and Focus on Learning. As a staff, we believe that this technique will accomplish ALL four of our values at VPHS and give you needed life skills.

PROCESS

1. The teacher will ask you in a friendly, respectful tone if you are using your appropriate attending skills? We will not argue or engage in disrespectful tones or behaviors. This counts as the FIRST REDIRECT. We expect you to own your behavior and respond that you were not using your skills. We will ask if you can fix it. Of course, you will say yes. We will Thank You and move on.

2. The teacher will make a direct statement regarding your continued behavior and lack of attending skills. The teacher will again follow the above procedure. This counts as your SECOND REDIRECT.

3. The teacher will ask you to step outside the room and tell you this is your THIRD REDIRECT. The two of you will respectfully discuss your behavior and expectations. You will be asked If you can comply and told that if the behavior which is disruptive continues you will automatically sent to see an Administrator and WILL receive an absence for that period.

4. The student will be sent home with a requirement to return with a problem solving sheet and participate in a conference with the teacher including a parent.

At anytime If your behavior becomes disruptive and you are not cooperating with the teacher respectfully – if you choose to use profanity or to not manage your anger appropriately, the teacher may remove you from the class without using the three redirects.

Our HOPE is that you will begin to OWN your behavior. Learn how to problem solve as an adult in a mutually respectful and dignified manner EVEN if there are conflicts and consequences involved due to your choices.
Absence Make-up Work and Tests

It is the student’s responsibility to contact the teacher to receive missed work.

1. During an excused absence:
   - Students shall be allowed to make-up work missed during excused absences for full credit.
   - Students will be given the same number of days they were absent plus one additional day to make up those assignments that were assigned on the day of the absence. The make-up period begins on the next school day following and absence.
   - Individual teachers may grant extra time for make-up in hardship cases.
   - Projects that are assigned prior to a student’s absence are to be turned-in on the due date or upon the student’s return date to school, unless prior arrangement has been made with that specific teacher.

2. During a truancy (unexcused absence):
   - Students with unexcused absences shall NOT receive credit for class work missed. However, they will be held responsible for the content and the completion of class work covered during their unexcused absence.

3. During an out-of-school suspension:
   - Students will be allowed to make-up work during an out-of-school suspension per Board Policy 5145, which relates to out-of-school suspension, gives students certain opportunities for make-up work.

Community Use Of District-Owned Facilities

The Community Use Program is an integral link between schools, citizens of the District, and the communities served by Adams 12 Five Star Schools. The Community Use Program will encourage the accessibility of District facilities by students, their families, and the community, and thereby increase opportunities for these individuals and groups to be involved in the school environment. District facilities are only subject to such accessibility and increased opportunities, however, when they are not being used for District programs as set forth below.

Individual Rights & Responsibilities

Vantage Point High School follows the Adams 12 Five Star Schools District Policy. Please refer to Superintendent Policy Code 8900.

Student Meals

Students may pre-order breakfast or lunch in the counseling office from the school district nutrition services program. We strongly encourage families to apply on-line at www.applyforlunch.com for meal benefits as it is convenient for our families. Family members are allowed to bring a student food into the main office. Students will be able to pick up food from the office during passing periods ONLY.
Emergency Information

Vantage Point High School has a security and camera system throughout the building. We comply and exceed the district’s mandates for security and emergency drills. If you have any questions, please contact an administrator. If you have information that is important to the safety of our students or school, please contact the school administrator. In rare instances, the Superintendent and/or Principal will need to close Vantage Point High School on an emergency basis for a variety of reasons, such as inclement weather and power failure. If an emergency occurs while school is in session, students are to remain with the teacher in the classroom until official dismissal has been given by one of the school administrators. No student will be allowed to go home without permission of both the parent/guardian and school administration. Emergency school closure information will be sent to the following media outlets:

Radio: KOA/KOAQ  KHOW  KBPI/KNUS  KOSI  KOOL  KYGO
Website: www.adams12.org
T.V.: KMGH—7   KUSA—9   KCNC—4

Fire, Lockdown and Tornado Drills

Each room is equipped with instructions for evacuation during a fire drill. The students should acquaint themselves with these directions as soon as possible. The teacher is responsible for giving complete directions to be followed during the drill. Tornado drills will be held in the fall and spring of each year. These drills must be taken seriously and all instruction carefully followed. If dangerous weather ever causes us to have to take cover, we would request the cooperation of the parent/guardian in such a situation. Any parent/guardian stopping at the school during that time must come to the Main Office, and we will make every effort to locate her/his student.

Lockdown drills will be held at least once each trimester. These drills must be taken seriously and all instruction of their teachers followed carefully. The safety of students and staff is foremost and can only be accomplished with everyone’s full cooperation. Please, No talking during drills, students must maintain zero (0) voice level and walk safely and quickly. Should students not maintain protocol during a drill, a suspension may be warranted.
Internet User Agreement

The Internet User Agreement is signed jointly with a student’s parent/guardian. Parents should discuss with their students the responsibilities, obligations, accountability, and commitment involved in signing the conditions of the Internet User Agreement signed at check-in and school’s responsibility to enforce the agreement. Students will need their I.D. card to verify internet permission before working on the Web.

Students who have failed to use the Internet appropriately by following the Internet User Agreement can forfeit the usage of the Internet for up to the end of the school year.

Exhibit C

Adams 12 Five Star Schools

Media Waiver/Internet Publishing

There may be times during the school year when different media groups (newspapers, television, university, school production class, district public relations, etc.) will cover activities at the various Adams 12 Five Star Schools with articles, video or still photography that may be published. In addition, schools or the district may want to include school-oriented articles, video or photography on their own Web sites. If parents DO NOT want their child(ren) to be photographed or videotaped for news media or school publicity purposes, please request an “opt-out media form” from your child’s school. Simply complete that form and return it to your school’s front office so the school has a record of your request that your child(ren) are not to be photographed or videotaped by news media or for school district publicity. District photographers will make every reasonable effort to identify the primary subjects in photographs and to not publish photos containing students on the opt-out list. This form will be good for the current school year. This policy relates to classroom activities or school events that are not already open to the public. Public events such as sporting events, theatre productions, etc. are considered open to the public and photographers and videographers are not included in this policy.

06/2006
Transportation Superintendent Policy 3600

Riding on the Bus

- Obey the directions of the driver
- Did you know it’s a state regulation, when crossing railroad tracks, and upon signal from the driver, all passengers are to be quiet and remain quiet until all railroad tracks are crossed. Students need to remember not to damage district vehicles. Students and their parents are financially responsible for the damages they cause on the district vehicles, so writing on and damaging seats or walls of the bus is unacceptable and it could be expensive!
- No exiting through windows, emergency hatches or emergency door without permission
- Flame or spark-producing devices are not allowed on the school bus
- Due to limited bus capacity, a student may not ride another bus to and/or from school without prior permission. A written notice from a parent/guardian of both parties is required 24 hours prior to the change and approved by an Administrator
- The following items may NOT be transported on the bus:
  - Animal/pets, living or otherwise.
  - LARGE ITEMS (i.e., band instruments, science projects. “Rule of Thumb”—items that protrude into aisle, extend above the seat back, or occupy the space of another student cannot be transported.
  - NO SKATEBOARDS, SCOOTERS, OR ROLLER BLADES may be transported at any time.

It is important to know and understand all the rules of the bus, and the consequences of not following those rules. Please speak with your children about what these rules mean. Office Hours 4:45am-6:00pm, 720-972-4300.

Student Transportation

Students driving to school must register their vehicle and obtain a parking permit in order to park in the student parking lot.

Bicycles brought to school must be locked to the racks and not other bicycles. The bicycles should be registered with the local Police Department, but this is a decision of the student and her/his family. The school does not assume liability for bicycles. Bicycles are to be walked on school grounds, this includes the track. Students may ride skateboards/scooters to and from school for transportation only. Rollerblades, Skateboards and Scooters must not be ridden on school grounds, including the black top and track at any time.
Adams 12 Five Star Schools Nutrition Services serves breakfast and lunch each day or students may choose to bring meals from home. In addition to meals, a variety of a la carte snack selections are offered for purchase at additional costs. Prepayment for meals is encouraged via cash, check, or online at https://www.payforit.net. Parents are encouraged to set low balance notifications or auto replenishment at PayForIt.net to ensure funds are available for purchases.

Free and reduced meal benefits are available to households that qualify, applications must be completed annually and can be submitted online at https://www.myschoolapps.com. Paper applications are also available in the kitchen office. Students approved for free or reduced meal benefits receive meals at no cost. In addition, our school has breakfast available free of charge daily to all students, regardless of meal benefits status.

Suicide Prevention

Protecting the health and well-being of all students is of utmost importance to the Adams 12 Five Star School District. Superintendent Policy 5520 addresses suicide assessments as a priority to protect all students.

Adams 12 will treat all threats or attempted suicides as serious regardless of the degree of lethality involved. When a student threatens or attempts suicide, the Adams 12 personnel will follow Superintendent Policy and respond accordingly.

The following steps have been taken to help protect all students:

1. Students will learn about recognizing and responding to warning signs of suicide in friends, using coping skills, using support systems, and seeking help for themselves and friends.

2. When a student is identified as being at risk, he or she will be assessed by a District mental health professional that will work with the student and help connect the student to appropriate local resources.

3. Students will have access to national resources which they can contact for additional support, such as:

   • The National Suicide Prevention Lifeline –
     1.800.273.8255 (TALK),
     www.suicidepreventionlifeline.org

5. Students should also know that because of the health and safety impacts of these matters, the confidentiality and privacy rights of individuals will be respected but concerns are secondary to seeking help for students in crisis.

6. For a more detailed review of District processes, please see the District’s full suicide prevention guidelines document.
